

Towards the 70th Platinum Jubilee of Seibo Hishoten Gakuin – now – Assumption Kokusai

August 15, 2020 (Feast of the Assumption of Our Lady)

To all our dear Friends and Supporters,
Greetings of PEACE!

We sincerely thank you for supporting our educational works.

In four (4) years, we will be celebrating the 70th anniversary of the establishment of our Assumption School in Japan in 1954, with the motto "truth, love, and joy". The first five (5) Assumption Sisters came, inspired by the vision of our foundress, Saint Marie Eugenie of Jesus, "to provide transformative education for the young so that they may become women who will make a positive contribution to society".

Faithful to the original vision of Seibo Hishoten Gakuin, as a Catholic School, marked by Assumption's commitment to be intercultural, international and inclusive, today, as Assumption Kokusai, we continue to provide quality education preparing 21st century learners to become persons who make a difference in the world.

Today, the 15th of August, on this special feast of the Assumption, we are happy to launch the Assumption Future

Fund that will help ensure a bright future for Assumption Kokusai – a future that is full of hope and promise, with the support of those who believe in the kind of education we offer.

We invite you to be a part of this noble project that will enable Assumption Kokusai to continue and further improve its good work.

We are committed to doing all that is possible to make this happen, but we know we cannot do this by ourselves. And so, we count on you who believe in quality education and would like to be one with us in this worthwhile and meaningful endeavor.

70 years is a platinum jubilee that signifies being precious, strong, and enduring. This is what we believe Assumption is, this is what we hope to continue to be – today and in the future.

Below you will find concrete ways of participating in this meaningful project. Join us and be a part of keeping Assumption Education ALIVE in Minoo!
